

EVENT MANAGEMENT

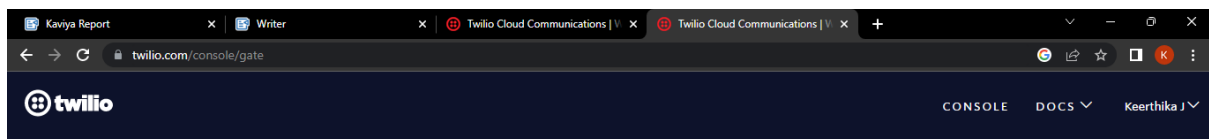

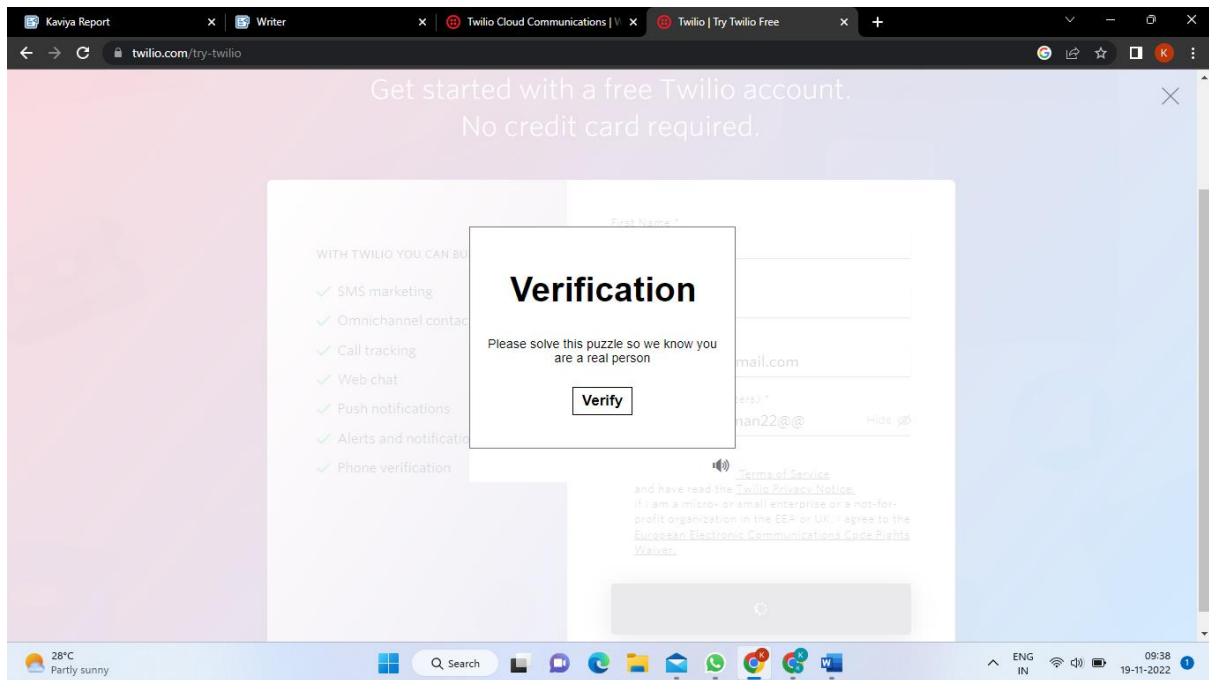

TWILIO

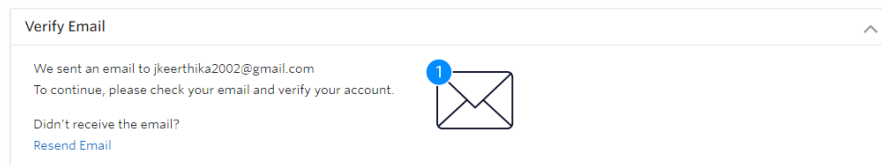

The image shows the Twilio account registration page. The header says 'Get started with a free Twilio account. No credit card required.' The page is divided into two main sections. On the left, there's a section titled 'SAFEGUARD YOUR TWILIO COMMUNICATIONS WITH A STRONG, UNIQUE PASSWORD' which includes a recommendation to use a password manager and a list of password requirements: must be 16 or more characters, can't include 3 or more consecutive repeated characters (e.g., 'aaabccde'), and can't include 'Twilio', 'Sendgrid', or variations (e.g., 'Tw1l1o', 'S3ndGr1d'). On the right, there's a form with fields for First Name (filled with 'Keerthika'), Last Name (filled with 'J'), Email (filled with 'jkeerthika2002@gmail.com'), and Password (16+ Characters, masked with dots). Below the password field is a checkbox for accepting the Twilio Terms of Service and Privacy Notice. A red 'Start your free trial' button is at the bottom right of the form.
